#### ONE THOUSAND STENOGRAPHERS AND TYPISTS WANTED FOR IMMEDIATE USE

That is what one Government department alone has requested. We also have many calls from commercial houses which we are unable to fill on account of a lack of eligibles. We have just completed arrangements whereby a limited number of young people will be given courses, and allowed to pay tuition when positions are procured. This is an opportunity of a lifetime for a few ambitious young people to qualify for good positions, who are financially unable to do so; and those who are interested should see us at once as this offer will only be open for a short time. Call today, if possible, and see MR. HARMAN.
